Concepts

Safety

The concept of safety is the condition of being safe; freedom from danger, risk, or injury, both inside the home and within the community. These include being physically and emotionally safe, as well as online safety.

Digital Citizenship

This concept addresses modern technology demands that go beyond basic safety, such as AI and online interactions. The concept teaches children about the wider online world and the associated risks.

Key questions

- What are the rules when using the internet?
- Who is your trusted adult?
- What information shouldn't we share online?
- What is the problem with talking to people online?
- Why can pop ups (in games) be problematic?
