### High Rise Mystery *Sharna Jackson*

Sisters Nik and Norva would agree that they are slightly obsessed with murder mystery series on the television so, when a body is discovered in their block of flats, they are sure they are the right people to discover the truth.

Is this Miss Thornsby's favourite book? Probably! Michael's parents buy a yacht, and take him off to sail round the world. Washed overboard in a fierce storm, Michael finds himself on the shore of a remote island - and soon discovers he's not alone.
